The Islamabad Accords: Ending the Iran War

A Peace Proposal for Donald Trump · the road, top to bottom

Ensuring Iran Never Develops a Nuclear Weapon
Ending the October 7th Firestorm
Building a New Security Architecture for the Middle East

1

TRANSACTIONAL PHASE

A ceasefire and three deals

- **Hormuz standstill** · oil for oil first; free passage for all shipping lifts the rest of the blockade
- **Nuclear bargain** · three verified gates release $6B, $5B, $15B
- **Reconstruction tranche** · $25B, a quarter to Gaza & Lebanon

2

END OF WAR

The All-Fronts Hudna

- A **10–15 year armistice** across all fronts
- Iran and its allies accept **Trump's Comprehensive Plan** and its “credible pathway to Palestinian self-determination and statehood”
- The US commits to **reciprocal non-aggression** and guarantees Israel's compliance

3

ARCHITECTURAL PHASE

Five regional institutions

- **Peace and Parley Table** · **Atoms for Peace Consortium** · **Hormuz Commission** · **Arms Control Forum** · **Reconstruction Fund**
- Iran performs, a regional institution verifies, relief moves

4

THE HORIZON

Fifteen years of détente, then normalization in 20–30

- **Major incidents are expected** · the institutions keep them from cascading
- Diplomatic relations among all the states of the region
