

The Islamabad Accords: Ending the Iran War

A Peace Proposal for Donald Trump · the road, top to bottom

Ensuring Iran Never Develops a Nuclear Weapon

Ending the October 7th Firestorm

Building a New Security Architecture for the Middle East

TRANSACTIONAL PHASE

A ceasefire and three deals

1

- **Hormuz standstill** · oil for oil first; free passage for all shipping lifts the rest of the blockade
- **Nuclear bargain** · three verified gates release \$6B, \$5B, \$15B
- **Reconstruction tranche** · \$25B, a quarter to Gaza & Lebanon

END OF WAR

The All-Fronts Hudna

2

- A **10–15 year armistice** across all fronts
- Iran and its allies accept **Trump's Comprehensive Plan** and its “credible pathway to Palestinian self-determination and statehood”
- The US commits to **reciprocal non-aggression** and guarantees Israel's compliance

ARCHITECTURAL PHASE

Five regional institutions

3

- **Peace and Parley Table** · **Atoms for Peace Consortium** · **Hormuz Commission** · **Arms Control Forum** · **Reconstruction Fund**
- Iran performs, a regional institution verifies, relief moves

THE HORIZON

Détente in ~15 years, normalization in 20–30

4

- **Major incidents are expected** · the institutions keep them from cascading
- Diplomatic relations among all the states of the region
